Picks up supplies in personal vehicle.

YES

YES

YES

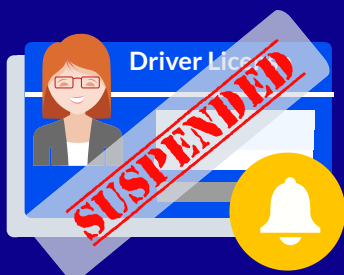

YES

THEY
ALL
PRESENT
THE **SAME**
RISK

Employers are legally responsible for employees who drive **personal vehicles** AND for those who operate company vehicles on behalf of the business.

Reduce Risk With Driver Record Monitoring

- Get real-time alerts on changes in driving records.
- Reduce exposure between MVR checks.
- Identify risky driving employees.
- Preserve brand reputation and company's bottom-line.
